GOTVDSB Account Consent – A Message from the TVDSB

This is to inform you that we now no longer require consent for the use of GOTVDSB (G Suite) accounts. As part of Thames Valley District School Board's commitment to 21st century learning, students will be using Ministry of Education approved tools in the classroom such as: G Suite, Desire2Learn (D2L), and Microsoft Office 365.

Students receive age-appropriate instruction on digital citizenship and the safe use of technology. Use of the internet and social media sites shall be in accordance with The Thames Valley District School Board's Information Technology Appropriate Usage Procedure.

If you have already denied consent for the 2018-2019 school year, that will be honoured and you do not have to re-submit. No action is required. If you have any questions or would like to revoke access to GOTVDSB (G Suite) at any time, please contact the school's main office.
