Principal's Message

As we near the end of September, we again want to thank all families and students for their continued support as we adapt to our new model of learning. At this time, all students will have met their teachers and cohort in-person. Additionally, all students should now have access to a digital platform, either a Google Classroom or Brightspace. Information for parents about these platforms can be found at: <https://www.tvdsb.ca/en/parents/supports-for-parents-and-guardians.aspx>

Students are reminded of the need to maintain physical distancing while entering the school and as much as possible throughout the day. Students are also reminded that keeping this physical distance is very important even when off school property at lunch in order to keep everyone safe.

Should you have any questions or concerns, I can be reached at t.vacante@tvdsb.ca and our Vice-Principal, Mr. McLean can be reached at mark.mclean@tvdsb.ca

Daily Self-Screening

Please ensure that all students self-screen before attending school each day. If you do not pass the screening, please ensure that you do not attend school. The updated screening link is: <https://covid-19.ontario.ca/school-screening/>

Middlesex London Health Unit Decision Tree

If your child does not pass the daily screening, please refer to the decision tree found on the MLHU website at: <https://www.healthunit.com/covid-19-schools>
