TVDSB FNMI Student Leadership Council Applications

The Thames Valley District School Board (TVDSB) is committed to providing leadership experiences for students both inside and outside of the school setting. The First Nations, Métis and Inuit (FNMI) Student Leadership Council is an existing Council that provides opportunities for leadership and personal growth for FNMI students. The Fourth R will support TVDSB in coordinating monthly online meetings where students will be exposed to culturally-relevant leadership opportunities and work together on projects aimed to build cultural awareness across TVDSB schools. New student applications are currently being accepted to be a part of the 2020-2021 First Nations, Métis, and Inuit (FNMI) Student Leadership Council. The Council will be made up of TVDSB FNMI secondary students from urban, rural, and local First Nations communities. We are looking for students with leadership abilities or leadership potential who are in Grade 10, 11 or 12. There is no limit to the number of student applicants from each school. Please visit the Guidance Google Classroom for a copy of the application. Applications should be submitted to Ms. Vacante at: t.vacante@tvdsb.ca or in the main office by 2:00pm on December 10, 2020.

Student Voice Meetings

Our administrative team will be meeting with small groups of students from the in-person adaptive model and from full remote learning to engage students in a discussion about student life at Central. Given our current situation and different learning models, students will be asked to give feedback about student well-being and achievement, equity and communication. We look forward to hearing from our students!
