Student Parliament Elections This Week

Students are reminded to log into their Guidance Google Classroom to view all of the campaign information for this week's student parliament election and to cast their ballots before Friday October 23, 2020. Campaign videos and

election posters are available to all students this week to review. All students are encouraged to exercise their right to vote by completing the Google form "ballot" found in their Guidance Google Classroom.

Geography Discovers the Real Outdoor Classroom!

It has been a beautiful fall to study outside. The grade 9 Geography class in Quad 1 has been on two walking field trips in the downtown core of London. Students have been able to practice physical distancing while learning about London's demographic mix, cultural diversity, and urban studies. Students have had a chance to get to know one another and apply their learning in authentic settings. We have walked to see various examples of solutions to urban sprawl, learned how open spaces such as Victoria Park can offset the urban heat island and add to our city's liveability score. Students are creating an urban land-use site proposal for a building of their own creation that fits the demographics and history of the Woodfield neighbourhood, as well as meeting liveable and sustainable criteria. The real outdoor classroom has been a welcome change of pace and a wonderful learning opportunity!

School Bus Safety Week and School Bus Driver Appreciation Day

School Bus Safety week runs from October 19-23, 2020. This is an excellent opportunity to remind all students who ride the bus of the importance of safe school bus practices, especially given all the changes that were put in place this fall. School Bus Drive Appreciation Day is Wednesday, October 21, 2020. School bus drivers and bus attendants are very proud of the work they do. This year, during the ongoing pandemic, bus drivers returned to their jobs simply to help kids get to school each day. This is truly worthy of a celebration and we thank all of the school bus drivers for their dedication and commitment to our students.
