GOALS of the School Council.... *Supporting student achievement*

School councils are required to set goals annually. List the school council goals for the past year:

MEETINGS of the School Council... *Supporting student achievement*

During the school year, our school council held 6 (*number*) meetings.

Generally, the school council met on the last (*first, second, etc*) Tuesday (*day*) of most months (*every, every other*) month.

School Council meetings started at 7:00 p.m. (*time*) and usually lasted for about 2 (*1, 1.5, 2, 2.5*) hours.

ACTIVITIES of the School Council... *Supporting student achievement*

Briefly describe the activities your school council undertook this school year. This includes any activity or event that you hosted or participated in that was not a regular meeting. This does *not* include fundraising activities.

The Chair and a parent representative attended the School's Grade 9 Parent Welcome BBQ, to assist in welcoming new parents and talk to them about participating on School Council;

School Council members held a Career Night on December 3rd, 2019, for students from all grades, and introduced 18 speakers from different fields to talk to the students about their particular profession; these included a Nurse, Police Officer, Radiologist, Scientist, London City Councillor, Landscape Architect, Optometrist, Software Developer, etc.

FUNDRAISING

Every school council, whether or not they are fundraising, *must* submit a financial report to the Thames Valley District School Board Finance Dept. by September 30 each year.

Our school council: Does not fundraise

Fundraises (*if yes, this should be a sub-committee of your school council*)

If your school council is fundraising, please indicate how the school council funds were spent this year (items purchased, donations, etc.).

ACHIEVEMENTS of the School Council... *Supporting student achievement*

Please list the achievements of the School Council including Parent Involvement Strategies

The Council successfully applied for a grant to create a pamphlet/handbook to print in order to hand out to parents at different school events, such as the grade 9 parent welcome bar-b-que, with the goal of having a strong school council presence at all events in order to interact with parents to get them interested and engage them in their child's education. The handbook includes information for parents to understand the number of resources available to them and avenues available for them to get involved with their child's education. The grant was approved.
